

WAMU LOANS 2006-2007 RANDOM

Review of the SEC.gov files submitted back in 2006 and 2007 with the loan level tape data shows many duplicates originally filed in the WAMU trusts.

We reviewed 66,475 loans in the 2006 and 2007 original SEC loan tapes filed with the SEC for 28 different trusts.

One loan was found in SIX (6) trusts, 1 loan was found in FIVE (5) trusts' original SEC loan level data, 39 loans were listed in 3 trusts, and OVER 500 were listed in two or more separate trusts.

The row color is highlighted for each change in loan number
